BUYER acknowledges that SELLER'S estimated date of substantial completion of the Improvements is only an estimate and the failure of SELLER to complete the Improvements by such date shall not constitute a default under this contract or subject SELLER to any penalties or charges.

Further, SELLER has made no representations or warranties regarding damage that may occur to the Property as a result of its proximity to the Golf Course, including but not limited to damage resulting from errant golf balls, and SELLER assumes no responsibility for any damages or injuries resulting from the location of the Project or the Property, with respect to the Golf Course.

(e) IN ACCORDANCE WITH SECTION 61.025, TEXAS NATURAL RESOURCES CODE, THE FOLLOWING STATEMENT IS INCLUDED AS PART OF THE CONTRACT:

The real property described in this contract is located seaward of the Gulf Intracoastal Waterway to its southernmost point and then seaward of the longitudinal line also known as 97 degrees, 12', 19" which runs southerly to the international boundary from the intersection of the centerline of the Gulf Intracoastal Waterway and the Brownsville Ship Channel. If the property is in close proximity to a beach fronting the Gulf of Mexico, the purchaser is hereby advised that the public has acquired a right of use or easement to or over the area of any public beach by prescription, dedication, or presumption, or has retained a right by virtue of continuous right in the public since time immemorial, as recognized in law and custom. The extreme seaward boundary of natural vegetation that spreads continuously inland customarily marks the landward boundary of the public easement. If there is no clearly marked natural vegetation line, the landward boundary of the easement is as provided by Sections 61.016 and 61.017, Natural Resources Code. State law prohibits any obstruction, barrier, restraint, or interference with the use of the public easement, including the placement of structures seaward of the landward boundary of the easement.

STRUCTURES ERECTED SEAWARD OF THE VEGETATION LINE (OR OTHER APPLICABLE EASEMENT BOUNDARY) OR THAT BECOME SEAWARD OF THE VEGETATION LINE AS A RESULT OF NATURAL PROCESSES ARE SUBJECT TO A LAWSUIT BY THE STATE OF TEXAS TO REMOVE THE STRUCTURES. The purchaser is hereby notified that the purchaser should: (1) determine the rate of shoreline erosion in the vicinity of the real property; and (2) seek the advice of an attorney or other qualified person before executing this contract or instrument of conveyance as to the relevance of these statutes and facts to the value of the property the purchaser is hereby purchasing or contracting to purchase.

(f) 1. SUBDIVISION INFORMATION: "Subdivision Information" means: (i) the restrictions applying to the subdivision, (ii) the bylaws and rules of the Owners' Association, and (iii) a resale certificate, all of which were provided by the Owners' Association in compliance with Section 207.003 of the Texas Property Code no more than three months before the date of their delivery to Buyer (Check only one box):

A. Within 7 days after the effective date of the contract, Seller shall at Seller's expense deliver the Subdivision Information to Buyer. If Buyer does not receive the Subdivision Information, Buyer may terminate the contract at any time prior to closing and the earnest money will be refunded to Buyer. If Seller delivers the Subdivision Information, Buyer may terminate the contract for any reason within 7 days after Buyer receives the Subdivision Information or prior to closing, whichever first occurs, and the earnest money will be refunded to Buyer.

B. Buyer has received and approved the Subdivision Information before signing the contract.

C. Buyer does not require delivery of the Subdivision Information. If Seller becomes aware of any material changes in the Subdivision Information, Seller shall immediately give notice to Buyer. Buyer may terminate the contract prior to closing by giving written notice to Seller if: (i) any of the Subdivision Information provided was not true; or (ii) any material adverse change in the Subdivision Information occurs prior to closing, and the earnest money will be refunded to Buyer.

2. TRANSFER FEES: Buyer shall pay any Owners' Association transfer fee not to exceed \$_____ and Seller agrees to pay any excess.

NOTICE TO BUYER REGARDING REPAIRS BY THE OWNERS' ASSOCIATION: The Owners' Association may have the sole responsibility to make certain repairs to the Property. If you are concerned about the condition of any part of the Property which the

Owners' Association is required to repair, you should not sign the contract unless you are satisfied that the Owners' Association will make the desired repairs.

14. **Broker's Fee.** All obligations of the parties to this Agreement for the payment of broker's fees and/or commissions are contained in separate written agreements.

15. **Casualty Loss.** If any part of the Property is damaged or destroyed by fire or other casualty during or after completion, SELLER shall have the option to either (a) terminate this Agreement whereupon the Earnest Money shall be returned to BUYER, or (b) repair, restore and complete reconstruction of such damaged Improvements whereupon the Closing shall be extended for a reasonable time in order to permit such repair, restoration and reconstruction.

16. **Default.** If BUYER fails to apply for the Loan with the time period set forth herein or fails to make every reasonable effort to obtain approval of the Loan as required herein or otherwise fails to comply with the terms and provisions of this Agreement, SELLER may terminate this Agreement and receive the Earnest Money as liquidated damages, and not as a penalty. If SELLER fails to comply with the provisions of this Agreement for any reason, unless a remedy is otherwise set forth herein, BUYER shall have as its sole remedy at law, equity or otherwise, the right to terminate this Agreement and receive the Earnest Money as liquidated damages and not as a penalty.

17. **Attorney's Fees.** Any signatory to this Agreement who is the prevailing party in any legal proceeding against any other signatory brought under or in relation to this Agreement or the transactions described herein shall be additionally entitled to recover court costs and reasonable attorneys' fees from the non-prevailing party.

18. **Acceptance of Property.** SELLER agrees that BUYER shall have the right to investigate and inspect the Property at any time, so long as such right is exercised in a manner which does not interfere with SELLER's construction of the Improvements, in order to enable BUYER to make its own determination with respect to the merchantability, quantity, quality, condition and suitability or fitness for any purpose of the Property, including the investigation for and discovery of patent and latent defects. BUYER hereby agrees that the acceptance of the deed from SELLER conveying the Property to BUYER will evidence BUYER's acknowledgment to SELLER that BUYER has relied on its own investigation of the physical condition of the Property in consummating this transaction and that the acceptance by BUYER of such deed constitutes a representation to SELLER that BUYER has made an independent inspection of the Property and is satisfied with the physical condition thereof. In this connection, prior to Closing and after the Property is substantially completed, SELLER shall send notification to BUYER requesting BUYER to inspect the Property with SELLER (the "Walkthrough"). BUYER shall complete the Walkthrough within ten (10) working days after notification by SELLER. Unless otherwise agreed to by SELLER, BUYER'S failure to complete the Walkthrough within the ten (10) working day period shall constitute a default under this Agreement and SELLER may (i) terminate this Agreement and retain the Earnest Money and any other sums paid to SELLER hereunder as liquidated damages for BUYER'S default, and BUYER shall have no further rights and SELLER no further obligations hereunder, or (ii) extend the time for BUYER to attend the Walkthrough, in which event the Per Diem Amounts described in Section 10, above, shall be assessed for each day beyond said ten (10) working day period until BUYER attends the Walkthrough. Upon completion of the Walkthrough, Seller will prepare and present to Buyer, a written list of those items identified by Buyer as requiring repair, adjustment or modification (the "Punch List"). Seller will present the Punch List to Buyer at the Walkthrough, and Buyer will be asked to verify all items contained therein and initial or sign the Punch List where indicated. Upon receipt of the initialed Punch List, Seller will commence work to repair those items identified during the Walk Through.

Furthermore, BUYER's initialing and acceptance of the Punch List shall constitute an affidavit of acceptable completion affirming to SELLER that BUYER has relied on its own investigation of the physical condition of the Property and that BUYER is satisfied with the physical condition thereof. In the event that BUYER fails or refuses to initial and return the Punch List to Seller after the Walk Through is completed, SELLER shall have the right to terminate this Agreement whereupon the Earnest Money shall be refunded to BUYER, less any amounts paid as additional Earnest Money for upgrades which shall be retained by SELLER, and thereafter the parties hereto shall have no further obligations or responsibilities hereunder.

19. **Modification.** This Agreement cannot be changed orally, and no agreement shall be effective to waive, change, modify or discharge it in whole or in part unless such agreement is in writing and is signed by the parties against whom enforcement of any waiver, change, modification or discharge is sought.

20. **Right to Terminate.** In the event that any dispute shall arise between SELLER and BUYER prior to Closing and funding concerning construction of the Improvements or any other matter relating to the interpretation or implementation of this Agreement, SELLER shall have the right, upon written notice to BUYER, to terminate this Agreement. In the event of termination of this Agreement by SELLER, SELLER shall return all Earnest Money to BUYER and, in addition, pay to BUYER an amount equal to the cost of any upgrades previously paid for by BUYER, plus the sum of \$250.00 as liquidated damages of BUYER, which the parties agree to be a reasonable estimate of the actual damages incurred by the BUYER incident to the cancellation of this Agreement (it being

difficult if not impossible to ascertain those damages). Upon such termination of this Agreement by SELLER and payment of the aforesaid amounts, neither BUYER nor SELLER shall have any further rights or obligations under this Agreement or otherwise in relation to any representation or warranty related to the matters described in this Agreement.

21 **Arbitration.** All allegations, claims, disputes and other matters in controversy between SELLER and BUYER arising out of or relating to this Agreement, the breach hereof, the property, any work or Improvements performed hereunder, any warranty or representation related to the matters described in this Agreement or any work or Improvements performed hereunder, any alleged defects relating to the property and/or any claims brought under the Texas Deceptive Trade Practices Act or the Residential Construction Liability Act, shall be decided by arbitration in accordance with the construction industry arbitration rules promulgated by the American Arbitration Association ("AAA"), as in effect on the date of any demand for arbitration hereunder. In no event shall the demand for arbitration be made after the date when institution of legal or equitable proceedings based on such allegation, dispute, claim or controversy would be barred by any applicable statute of limitations or similar statute. The foregoing agreement to arbitrate shall be enforceable under the prevailing Texas Arbitration Law, and the costs of any such arbitration are to be shared equally between SELLER and BUYER. The award rendered by the arbitrator shall be final and binding upon all parties and judgment may be entered upon it in accordance with applicable law in any court having jurisdiction thereof.

22 **Warranties.** SELLER warrants construction of the Improvements and fixtures located on or made a part of the property against structural defects, defective materials and workmanship for a period of one (1) year after the date of closing, but not thereafter. SELLER's warranty does not include cosmetic appearances. EXCEPT FOR THE FOREGOING EXPRESS WARRANTY, SELLER GRANTS NO OTHER EXPRESS WARRANTIES WITH RESPECT TO THE PROPERTY OR ANY IMPROVEMENTS SITUATED OR CONSTRUCTED THEREON, INCLUDING BUT NOT LIMITED TO FITNESS FOR A PARTICULAR PURPOSE AND MERCHANTABILITY AND BUYER WAIVES AND DISCLAIMS, TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, ANY IMPLIED WARRANTIES. WITH RESPECT TO ALL PERSONAL PROPERTY AND EQUIPMENT INSTALLED IN THE PROPERTY, SELLER, NOT BEING THE MANUFACTURER, SUPPLIER, OR DEALER IN SUCH PERSONAL PROPERTY AND EQUIPMENT, MAKES NO WARRANTY, EXPRESS OR IMPLIED, TO BUYER AS TO FITNESS, MERCHANTABILITY, DESIGN, PERFORMANCE OR ANY OTHER ASPECT OF THE PERSONAL PROPERTY OR EQUIPMENT OR ITS MATERIAL OR WORKMANSHIP. With respect to such personal property and equipment, SELLER hereby agrees to assign to BUYER at Closing, to the extent assignable, all manufacturers' and/or suppliers' warranties with respect to the same and BUYER agrees to look solely to each manufacturer and/or supplier for Warranty claims on such products.

23 **Other Contractors.** BUYER will not contract with any person other than SELLER (a "Third Party") for any work to be performed at or material to be furnished to the Property prior to Closing without SELLER's prior written consent. SELLER may condition its consent on such Third Party furnishing evidence of insurance and payment acceptable to SELLER. In the event BUYER breaches its covenants in this Paragraph, SELLER may terminate this Agreement upon notice to BUYER and receive the Earnest Money and all other amounts previously paid to SELLER as liquidated damages. BUYER acknowledges that any warranty of SELLER or provided to BUYER by a third party pursuant to this Agreement will not cover any work performed or material supplied (or affected by such work or material) by any Third Party.

THIS CONTRACT IS SUBJECT TO CHAPTER 27 OF THE TEXAS PROPERTY CODE. THE PROVISIONS OF THAT CHAPTER MAY AFFECT YOUR RIGHT TO RECOVER DAMAGES ARISING FROM THE PERFORMANCE OF THIS AGREEMENT.
